Fellow SOA members

On behalf of the Special Operations Association I would like to welcome all members and guests to SOAR XLIII and the Beautiful Orleans Hotel. Our Board and volunteers have put together a great event and are excited to see you all October 21 thru 25 October.

Our cover this year honors longtime members and SOA legends Lt. Colonel Sully de Fontaine and MG Eldon A. Bargewell who passed from our ranks this year. Great Patriots MG Bargewell and Lt. Colonel de Fontaine lived lives of service to their country and fellow man. Both joined SOA in its early years and continued as active members until their passing. Please read the articles on their lives and many accomplishments in this PRP edition. Our banquet this year is dedicated in their honor.

Tickets are now available on line to the world famous Cirque du Soleil's Ka acrobatic show on the SOA website. Bus transportation will be available to and from the MGM Grand Hotel the night of the event. Great time for all.

We have a great article inside on the recent ride of our SOA Riders along the Ohio River in Rural Kentucky and Indiana. As always a fitting tribute was held in honor of our Missing in action MACVSOG and support element soldiers who have not returned home yet.

The joint SOA POW/MIA Committee will be providing an excellent update on current MIA status with DPAA personnel provide a full report and answer ing questions from our members. Do not miss the aviation symposium. This year's topic will be air operations out of NKP Thailand. Our own Doc and Vicki Padgett will be presenting a program on health and wellness to keep us all fit for the next SOAR.

Be sure to vote for the excellent candidates running for office this year. A ballot and return envelope is included with your PRP so please take the time to support them by returning your ballot.

*Respectfully submitted,
Rick Estes*

Seeking Bright Light Candidates

June 2019

Fellow SOA Members,

Do you know any SOA members who will not be able to attend SOAR XLII this year due to personal financial problems? If you know an SOA member faced with that dilemma please call or e-mail Operation Brightlight committee members who are listed below.

Operation Brightlight was founded in 2005 to help SOA members attend SOAR and is funded through member contributions. The levels of assistance can range from helping to pay for a hotel room, SOAR registration, airfare or travel costs, a stipend for taxi and general costs, or all of the above combined, depending on the SOA member's individual situation at the time of the review by the Operation Brightlight Committee members.

Operation Brightlight committee members screen any applicant's request for assistance before any final decisions are made regarding that individual candidate. The names of all Brightlight candidates remain confidential and are not shared with the general membership, only committee members and key personnel on the SOA Board of Directors or SOA Special Staff.

Since 2005, 40 SOA members and three family members have been assisted at some level of monetary consideration by this program thanks again to the generosity of the SOA membership in general and the SOA Riders and SOA member Joseph M. Conlon specifically.

Please contact one of the following committee members for assistance:

SOA Video History Project and Archive Update

As I write this update, it is Memorial Day and the people in my neighborhood are outside preparing to barbeque and enjoy the day. For others it is a day of reflection and remembrances. Today I am sitting at my desk working on this piece for the PRP and thinking of those who have been lost, both during war and after. The SOA has recently experienced the loss of two more members. I'm speaking of Sully De Fontaine and Eldon Bargewell. Both were men with long military careers that together spanned many decades and armed conflicts. I was fortunate to get to know Sully through our chats during SOAR, but I only had a few short conversations with Eldon. The thing most on my mind today is that the SOA Video History Project was able to record a very good interview with Sully about his time with the British Special Operations Executive (SOE) and American Office of Strategic Services (OSS) during World War Two. Unfortunately, we were not able to record an interview with Eldon and now it is too late. The best we can hope for now is to record the remembrances of others who knew him. It is with this in mind that the Video History Project is considering a new program that will record appropriate remembrances of those who have already passed. I believe it is the bestway we have to keep the memories of those who have passed with us for the future. Not just for us, but for those who never got the opportunity to meet or serve with these men. If you would like to take part in a program like this, or have input on this, please contact me. My contact information is listed below.

I would also like to ask that anyone who will be donating items to the SOA Archives either send the items to me as early as possible, so that I can arrange to have them shipped to Las Vegas, or drop them off at the VHP/Archive table during SOAR as early in the week as possible. Also, please let us know who the donation is from. I have received several items over the last few years that were just left on the table with no idea as to who left them. We are still in need of items to display at SOAR for everyone to enjoy, so please go through all the stuff that has been sitting in your footlockers and duffle bags for things that we can add to the archive display

Once again,I would like to remind everyone that we rely heavily on donations to make the Video History Project successful. Preserving the experiences of our members is incredibly important and so is funding for this project. Even if you cannot donate yourself, perhaps you know someone whowould like to help support this worthy cause? Just recently the Video History Project received a very generous donation from Marty Bordson of Badger Ordnance. Marty knows the value of the history we are preserving and his donation is greatly appreciated. Marty's donation is the first we have received from a corporation and we encourage others to follow his lead. And if you haven't yet sat for an interview, please consider doing so at the upcoming SOAR.

POW/MIA Update

Latest News: As happens all too often lately, it is likely that Congress and the Administration will fail to agree on an FY2020 budget in time to avoid the federal government entering the year operating under a Continuing Resolution. The result is that the Defense POW/MIA Accounting Agency budget will probably initially consist of \$130M assured and the remaining required \$19M being at risk.

Americans Recently Accounted For: On 1/15/19, DPAA posted an accounting for Roy F. Townley and Edward J. Weissenback, Air America, listed as missing on 12/27/71, in Laos. The DPAA release accounting for George L Ritter, Air America from the same incident, indicated his recovery on 12/13/17, and ID on 9/25/18. Both Townley and Weissenback were recovered late last fall and their families were notified just before Christmas, 2018. Before that, no changes in the Vietnam War statistics had been posted since October 17th when DPAA posted the names of two Vietnam War personnel now accounted for, Ritter, noted above, and LT Richard C. Lannom, USNR, TN, listed MIA on 3/1/68, NVN, recovered 12/13/17 and ID'd on 9/25/18. On 2/25/19, Defense POW/MIA Accounting Agency (DPAA) announced that Navy Reserve Journalist 3rd Class Raul A. Guerra, USN, listed as missing on 10/8/67, was accounted for. His remains were recovered on 8/15/05 and identified on 2/20/19. The number still missing (POW/MIA) and otherwise unaccounted-for (KIA/BNR) from the Vietnam War is now 1,589.

History: At the end of the Vietnam War, there were reportedly 2,583 unaccounted-for American prisoners, missing in action or killed in action/body not recovered. As of February 25, 2019, the Department of Defense lists 1,589 Americans as still missing and unaccounted-for, 90% of them in Vietnam or in areas of Cambodia and Laos where the Vietnamese operated during the war: Vietnam-1,247; Laos-288; Cambodia-48; and, Peoples Republic of China territorial waters-7. SOA and SFA join the National League of POW/MIA Families and other Veterans Service Organizations in seeking the fullest possible accounting for those still missing and repatriation of all recoverable remains. Highest priority is accounting for Americans last known alive.

Vietnam established comprehensive wartime and post-war processes to collect and retain information and remains; thus, unilateral efforts by them offered significant potential. Vietnam has since taken many unilateral actions that are welcome and appreciated, plus they have announced that there are no obstacles to full cooperation. Recently, Vietnam has increased implementation of commitments to provide long-sought archival records with relevant, case-related information, thanks in part to improvement of working-level efforts, but primarily due to increased bilateral relations across the board. The January 2018 SOA/SFA and League Delegations brought commitments that offered real promise for increased success. First undertaken only in northern Vietnam in 1985, joint field operations have dramatically changed and are now much more effective. Vietnamese officials are participating with greater seriousness and professionalism, achieving increased results, including both US-led Joint Excavation Teams and Vietnamese Recovery Teams, led by Vietnamese and supported by a few US personnel. This formula allows a greater number of teams to “increase the pace and scope of field operations” as requested by Vietnam since 2009, unless US budget sequestrations and reductions interfere. Due to increased military-to-military cooperation, US Navy assets are now allowed to participate in underwater survey and recovery operations.

After a rough period, joint field operations in **Laos** are now increasingly productive, even though more difficult than elsewhere. Accounting efforts had slowed due to Lao Government inflexibility, attempting to over-price payment for helicopter support and denying permission for ground transport to accessible

incident sites. Recently, Laos is showing much greater flexibility, having again authorized an increased number of US personnel in-country simultaneously, allowing ground transportation to accessible sites, and reaching agreement for contracting a private company to provide reliable, smaller-scale helicopter support to access remote sites. When helpful, Vietnamese witnesses are also allowed to participate in joint US-Lao operations. Lao officials are now approving field investigations outside the confines of scheduled DPAA field operations. A border dispute with Cambodia that was ongoing when the our delegations visited in early 2018 continues to impede recovery operations in the Lao-Cambodian disputed border area. We have urged officials in Laos and Cambodia to at least temporarily set aside their political disagreement and work trilaterally with the US to proceed on this humanitarian recovery, hoping to end the uncertainty of the families.

Two Defense Intelligence Agency (DIA) Stony Beach personnel (skilled investigators and debriefers) rotated on temporary duty in and out of Vietnam for years, collecting information via archival research and interviews of potential witnesses. DIA has now decided to permanently station one Stony Beach Vietnam specialist in Hawaii and one in Hanoi, to which Vietnam has partially agreed. Successive US Ambassadors have strongly supported this important move. And increases in bilateral military relations clearly contributed to overcoming past reluctance. One Stony Beach Lao specialist is assigned full time in Vientianne. One DIA Stony Beach Cambodia specialist works full time at the US Embassy in Phnom Penh, and research and field operations in ***Cambodia*** have received excellent support. It is hoped that ever-expanding bilateral relationships with Laos and Vietnam will mean positive decisions and greater flexibility to expand. Stony Beach specialists are sorely needed to augment the investigation process while witnesses are still living and able to facilitate locating incident sites for follow-up.

A breakdown by year of recovery for the 994 Americans accounted for from the Vietnam War to date:

SOA Riders Thunder on the Road

On June 5, members of the Special Operations Association Riders began arriving in Lawrenceburg, Indiana for their 10th annual ride. This year, Tom Carrell and his wife hosted for the three-day event through the rolling hills and valleys of Southeast Indiana. Though the number of Riders was down from previous years (more on that later) those in attendance were treated to some interesting sights and beautiful scenery. It is also worth noting that we had several guests with us this year. Some have ridden with us before but one young lady stands out. Stacy Buscetto, daughter of the late Pete Buscetto, iron assed it from central Florida, riding alone more than 900 miles each way, stopping only for fuel to ride with us. She was a welcome addition.

The first day we ventured into Kentucky for a ride along the Ohio River, stopping at the old country store in Rabbit Hash, Kentucky. Everyone enjoyed their taste of Sarsaparilla and other unique libations for the road. After a short ride they stopped at Big Bone Lick State Park for a look at prehistoric artifacts left by the early Native American tribes. The Lick also served as a gathering place for giant sloths, mastodons, and other prehistoric animals that came there to get the salt and minerals needed for survival. Continuing along the river we stopped in historic Madison, Indiana for lunch. Following lunch, we wound our way back through some wonderful scenery on backroads that crossed or followed many of the watersheds that feed the mighty Ohio and riding through little towns like Friendship, Farmer's Retreat, and Dillsboro. After bouncing around to a couple of restaurants for supper, we settled in back at the hotel for an evening of friendship, comradery, and reflection. For most it was an early evening as Father Time is starting to take a toll on the young men we once were.

Friday morning dawned cloudy but warm with all eyes were fixed on weather radars as storms and rain laid to our south. After being joined by several riders from a local group, we took a leisurely ride through the Laughery Creek valley, guided by one of our guest riders who called it his "ride for the bride", following the route he had ridden on his wedding day years before. We stopped in the town of Versailles, Indiana for lunch

before continuing our trip on the back roads. Arriving back at the hotel, Riders cleaned their bikes and got ready to be the guest of my local community, which hosted a cook out in our honor. Again, both our Riders and the Hidden Valley Riders gathered to show off their chrome stallions and enjoy the company of the community. As a side note, the community will be donating a portion of the proceeds to the SOA Foundation. After dinner we all returned to our TOC for our raffles and business meetings. Robert Tate was the recipient of this year's Quilt of Valor, quilted and presented by Mary Carrell. Through the raffle, the Riders raised \$400 to be donated to the SOA Foundation.

Saturday morning, we rode back into Hidden Valley Lake to use their Veteran's Monument for our remembrance of those from MACVSOG and support elements that remain missing in action. This year Doyle Creed and Robert Tate laid the wreath at the base of the monument and American flag. As in the past, Riders and guest then placed a single carnation by the wreath as a name was read. Taps and a toast to their memory ended this year's ride. It is fitting that Marcus Witt be recognized for the excellent job of acting as this year's MC.

Planning for 2020 is under way with "Red" Surgenor agreeing to host it in northwest Wisconsin. The dates haven't been set so keep your eyes open for emails, Facebook and website announcements. Marcus Witt has agreed to hold the 2021 ride in eastern Tennessee.

Reflections

This year several pointed questions were ask as to why more people don't participate and better yet what can we do to improve it? The first part is fairly simple, as riders we are getting older and our bodies are stating to pay for the sins of our youth. Medical issues

have hit several over the years and that number increases every year. Then the question was asked, "Why do we get together?" Is it the thrill of being on a motorcycle? That might be a small part of it but it's bigger than that. You can get your thrills on a motorcycle anywhere. We gather to be in each other's company in an informal and unstructured setting. We gather because we are Brothers forged in combat. We gather to remember and honor those who were lost and those that still aren't home. Does one need a motorcycle to do that? No. If you are a Rider and are off your Ironhorse, we still want you to attend. In fact, those in attendance want to extend an open invitation to the General Membership to join us. Most of the members only see each other once a year at SOAR and this presents, yet another opportunity to keep the company of such great men as these. Most of us are now in the twilight of our years and it is imperative we take time to enjoy the time we have left.

If there are any out there that ride but have not joined the Riders you can get your application from Tom Carrell at paintwizard2@comcast.net. If your not a rider but would like to join us on any of our adventures keep your eyes peeled on the Facebook page, website, and email blasts sent out by the Board of Directors. You're more than welcome to be a part of our annual gathering and memorial. We only go around once and I for one want to make it the best trip I can.

MG John K. Singlaub Jedburgh Award

Master Sergeant Clyde Franklin Whitmore II was selected as the recipient of the 2019 MG John K. Singlaub/Jedburgh Award. USASOC Commanding General LTG Beaudette and USASOC Command Sergeant Major Eckard, together with SOG legend SGM (Ret) Billy Waugh (SOA #005), made the presentation during the 2019 Red and Black Ball at Fort Bragg on the evening of 9 March.

The Special Operations Association created the John K. Singlaub/Jedburgh Award in recognition of, and to honor, retired U.S.

Army Maj. Gen. John K. Singlaub's courageous actions on and off the battlefield, as well as his immeasurable contributions to the United States of America, and U.S. Army Special Operations Forces specifically.

The narrative submitted recommending MSG Whitmore for the Singlaub/Jedburgh Award paints a picture of a Special Forces warrior worthy of the award. It reads in part - Over a 16-year career, MSG Whitmore has demonstrated the bravery, tenacity, thoughtful decision making, and integrity that are the hallmarks of the Special Forces Regiment and the Special Forces NCO corps.

MSG Whitmore has deployed eleven times in support of contingency operations in the CENTCOM AOR, conducting tasks ranging from counterterrorism to building partner force capacity.

MSG Whitmore spent the last two years as the Operations Sergeant on SFOD-A 5324. He led his team through three, six-month, combat deployments in support of the Defeat-ISIS campaign. Senior leaders from across the Regiment, CJTFOIR, and USCENTCOM, have sought his council for the ground truths that he consistently provides.

In 2018, MSG Whitmore's SFOD-A came under intense attack during a four-day ISIS assault against Coalition and partner force positions. MSG Whitmore demonstrated his bravery, repeatedly engaging the enemy, coordinating counterattacks, and orchestrating the defense of Coalition positions. His actions helped to minimize Coalition casualties and directly led to saving the lives of members of the Coalition.

MSG Whitmore's focus on NCO development, building warfighting capability, and sound council are without equal. Despite the grueling OPTEMPO of the past two years, he pushed his team to cross-train, develop new combat skills, and become adaptive, innovative thinkers. His tireless actions resulted in a Detachment ready for the perils of combat.

He fully embodies the ARSOF promise to "Protect the Nation, Without Fear, Without Fail, and Without Equal".

Standing Rules of Order

Special Operations Association Reunion XLIII Annual General Member Meeting Standing Rules of Order

Preamble:

The Board of Directors has created the following Standing Rules of Order in accordance with the directions and guidelines established in Chapter XIX of Roberts Rules of Order Newly Revised (RRNR).

The purpose of these Standing Rules of Order are to assure members' rights are fully protected, simplify what otherwise are sometimes confusing and contradictory Parliamentary Procedure options, establish order, and to capture the exact wording of proposed Topics of Discussion (TODs), Resolutions and Motions for the record.

These Standing Rules require approval by the General Members before they will be implemented and adhered to for this GMM. These Standing Rules of Order are temporary and apply to this one single GMM only. Their authority ceases on the adjournment of the GMM.

We ask every General Member to read these proposed Standing Rules and to approve them with his vote.

Admission into the General Member Meeting room requires all members to wear or prominently display the Badge/Name tag issued by the Secretary/Registration Committee. General Members will be seated in the area designated by the Sergeants-at-Arms for "voting" members.

The Secretary, directly after the opening ceremonies, shall report the number of General Members registered at this year's SOAR and/or exclusively for the GMM and the number of those currently present in the meeting room. The number present at the beginning of the business meeting shall be the number used to determine if the SOA's quorum requirements have been met per Article VII Section C of the Bylaws. If the quorum requirement is met, the number of members reported present shall be the base number for determining a majority for all votes conducted during this GMM.

All voting will be by physical count of hands or ballots. When voting, members are requested to raise their RIGHT hand over their heads in order that the Sergeants-at-Arms can facilitate a proper count.

General Members who desire to present a Topic of Discussion (TOD), Resolution, or Motion from the floor that was not previously submitted to the Secretary per SOA Bylaws Article VII Section E must first submit a legibly written or typed copy to the Secretary prior to the opening the GMM but no later than the opening of New Business. If the request is in compliance with the Bylaws it will be added to the agenda under New Business in the order it was received by the Secretary.

At the appropriate time on the Agenda, the Secretary will request the Member who desires to open a TOD, make a Resolution, or Motion to rise and request their TOD, Resolution, or Motion to be read by the Secretary. In lieu of the President stating the question, the Secretary will read the TOD, Resolution, or Motion as presented and entered into the record at which time the Chair

Standing Rules of Order (cont)

will call for a Second. If a Second is made, the Chair will then acknowledge the originating member who may then speak as in Rules 5 & 6, and, if appropriate, a vote will follow.

Two (2) microphones are available to members during debate. Any person wishing to speak during debate must do so from one of the microphones or he will not be recognized by the Chair. As designated, one microphone will be for those members who wish to speak in support of the question and the other for those opposed. When recognized, the member is requested to state his name and membership number prior to speaking.

Members are limited to two (2) three (3) minute periods of debate per question and a member will not be permitted to speak a second time until all other members who wish to speak to the question have spoken once. Total time for Debate will be limited to 12 minutes per question.

General Members may make a motion to set aside Rule 5 and substitute new requirements which will become the temporary Rule for that specific TOD, Resolution, or Motion if passed by a 2/3rds majority (as is detailed in RRNR, page 253) of the quorum requirement as defined in Rule 2.

The Chair will rule out of order TOD(s), Resolution(s), or Motion(s) and not approve for discussion, debate, and/or vote those subjects that violate the SOA Bylaws and those where the SOA Attorney and/or Attorneys for Association's Insurance Carrier have directed they not to be discussed beyond what has been previously posted by the BOD.

General Members may make a motion to set aside Rule 7 and if seconded and passed with a 2/3rds majority (ref. RRNR, page 253) of the quorum as defined in Rule 1. Prior to the vote, the Chair will provide the reason for his ruling, and if appropriate, either read or pass out copies of the board's posting(s). If the topic is one which the SOA's Lawyer and/or Insurance Company's Lawyer(s) has stated should not be discussed the Chair and the BOD will not answer questions or become involved in the debate. They will, however, participate in the vote if there is one.

General Members may appeal the President's rulings as stipulated in Section 24, pages 247-252 of RRNR. As stated on page 252, a majority or tie vote sustains the decision of the President. The President is authorized to vote in order to create a majority or tie decision.

The Chair will rule on all Parliamentary Questions in accordance with the authority granted in RRNR (pages 432 - 435 and elsewhere). At his discretion, as defined on page 243, the President may temporarily suspend the meeting, stand at ease, to obtain confidential advice from the Parliamentarian or other accepted parliamentary authority prior to making his ruling. Special attention is to be placed on "Decorum" specified on pages 379 - 3 defined 84. A professional Registered Parliamentarian, (Mrs. Solveiga Unger) has been retained by the SOA Board to assist the President in the interpretation and application of parliamentary procedure.

All members and guests are required to turn off cell phones and pagers during the conduct of the General Member Meeting. Cell phones may be used to record the meeting if the ring and buzzer notifications are turned off. The use of recording devices is authorized.

Candidates for Election

Candidate for SOA Treasurer

Phil Devon SOA 3118-GA

I have been the Treasurer of Special Operations Association (SOA) for the past year, being appointed to that position by the Board of Directors following the passing of the previous Treasurer.

Let me introduce myself to those who I have yet to meet. I am a Lifetime member of SOA. My military service included assignments to the 6th and 7th SF Groups, a tour in Vietnam with MACV-SOG in CCS, tour in Korea with the 2nd Infantry Division as well as the time with the JFK CFSW at Fort Bragg. Following my time with military, I finished by education with a Masters Degree in Accounting, spent 6 years with the accounting firm Price Waterhouse & Co. and 28 years with a Fortune 500 Company serving in various senior finance positions. During my retirement, I have served with various volunteer organizations and am an active member and Officer of Chapter 21 of the Special Forces Association.

My wife and I are celebrating our 50th anniversary this year and I am a very, very proud father and grandfather.

I have been honored to have served as your Treasure for the past year. I believe that I can continue to provide quality financial direction to the group as well as fiduciary oversight for the monetary assets of SOA. If elected I will strive to insure financial integrity and stability to the Special Operations Association.

Candidates for Election

Candidate for SOA Director

Don Haase SOA 1683-GL

Serving with the 195th Assault Helicopter Company as an original member forming at Ft. Carson, Colorado and moving with the company to Vietnam in October 1967. In March of 1968 I became a Huey Crew Chief in support of the 5th Special Forces, MACV-SOG special projects Sigma, Omega, Delta, and then CCS.

I have been a life member of SOA since 1999 when Tyler Furbish dug me out of the woodwork and invited me to SOAR at the Plaza hotel. I have been impressed with the association and what it has accomplished over the last 20 years. If elected to the board of directors it would be an honor to serve the membership of the association in any way I can.

I retired after 37 years in The Real Estate and Building industry in 2006. I served as a director, vice president and twice president of the multiple listing services of Eugene and Springfield, Oregon. During my last term as president we transitioned into RMLSweb of the national Association of Realtors, which is in use today. As a Realtor I also served on ethics and arbitration committee and other committees of the Eugene Association of Realtors over my career.

Candidates for Election

Candidate for SOA Director

Christopher E. McClure **SOA 770-GL**

For over ten years I have served as your SOA Scholarship Committee Chairman, which has enabled me to work closely with each of the SOA Boards of Directors during that period to help to administer our successful scholarship program. During the almost three years that I have served on the Board, I have gained valuable experience which will enable me to continue as an effective Director, looking out for the best interests of the SOA and all of its members.

My experience of over 40 years as a small business owner and as a principal in a larger firm has given me skills that are valuable to the SOA. Working with various clients, public and private, and as a participant on various non-profit Boards of Directors has given me clear insight into what I can do to make our great organization even better.

Candidates for Election

Candidate for SOA Director

John “Doc” Padgett SOA 404-GL

John Padgett, a former SF medic, has A-team experience (A221, 227), Mike Force (4th BN, II Cps) 68-69, 46th SF Co. 69-70, and SOA/CC from 70-71.

Education: University of Washington Physician Assistant (PA) Program, 1973, masters from St. Francis University in 1994 and doctorate from St. George University in 2001.

After practice in Washington, he joined the University of Hawaii, training health care providers in the U.S. Trust Territories. After medical service on the Alaska Pipeline in 1975-76, he was recruited by USAID to develop a rural health program for Nicaragua. He practiced in clinical medicine for 25 years. After 25 years of Special Operations USAR duty, he was activated by SOCOM in 2003 for Iraq. Returning from Iraq, he helped open the PA School at Touro University Nevada, serving as clinical coordinator.

Currently retired, his board experience includes the Special Operations Association, Refugee Relief International, Inc., the Veterans Caucus and the Army PA Society. In March 2019, he was selected as a Distinguished Member of the Special Forces Regiment.

Candidates for Election

Candidate for SOA Director

Richard “Dick” Thompson SOA 268 GL

In 1968 - 1969 I served with Det. B 52 (SOG) Project Delta, and 1971 - 1972 I served with A Co. 101 Assault Helicopter Bn. 101 Airborne Division, one of our missions was to support CCN. After leaving Active Duty in 1975 I returned to Salt Lake City and attended, and graduated from Westminster College with an old friend, Don DeVere. Don majored in history and me in Business Management/Economics. We both minored in Political Science. He convinced me to join the SOA. That was a good move on my part and I thank Don for being older and wiser than I.

I am a Life Member and proud of the organization and would like to spend some of my free time serving the Association on the Board of Directors.

I would like to make it a major goal to recruit, new and younger members to keep this Association a viable and growing, organization.

Endowments, Bequests and Wills

A number of SOA members have expressed an interest in including the association as a beneficiary on their wills, or other estate planning. The SOA has been requested to provide some information on what would be necessary to accomplish this task.

First - It is imperative that the membership understand that the SOA cannot provide any legal advice, or, can any information imparted to the membership be relied upon as “legal advice or legal language sufficient for all persons, jurisdictions and circumstances.” Prospective benefactors must realize that laws on descent and devise, wills, trusts and estates vary from state to state. Typically, the laws of the state in which the benefactor was domiciled govern the administration of his estate, though even this can be affected by property in other states.

Second - Any member considering the SOA as a benefactor in his will must consult an attorney or licensed estate planner to ensure compliance with the laws of his state. For example, one aspect of trust and estate laws that does vary significantly is the number of witnesses necessary for a codicil or an amendment to a will (or for the creation of an entire will itself) to be validly created and recognized by the courts and law, and whether the document must have each of the witnesses’ signatures notarized. Despite those variations in law, having at least two witness signatures notarized should ensure legal validity in most cases. Nevertheless, everyone is encouraged to consult an attorney to ensure that all laws and requirements have been met in all estate planning.

Third - The Special Operations Association will accept no responsibility or liability whatsoever for harm, difficulty, or invalidity of any will or other estate planning document which is adversely affected by a member (or his family’s) sole reliance on this language without consulting a qualified attorney, licensed in the state in which the member is domiciled.

Fourth - The following is provided as possible language that could be included in a will where the testator wished to leave something to the Special Operations Association:

- I. General language for a Bequest
 - A. “I give all my real and personal property to the Special Operations Association, a veteran’s fraternal organization, in care of Linda M. Leavitt, SOA Administrator, P. O. Box 335461, North Las Vegas, NV 89033, for its unrestricted use.” Or,
 - B. “I give all my real and personal property to the Special Operations Association, a veteran’s fraternal organization, in care of Linda M. Leavitt, SOA Administrator, P. O. Box 335461, North Las Vegas, NV 89033, for the specific purpose of supporting (one of the following specific projects):
 1. The SOA George C. Morton Memorial Scholarship Program Fund.
 2. The SOA Brightlight Program Fund.
 3. The SOA Personal Video History Project Fund.
 4. The SOA Warrior’s Family Fund.
 5. The SOA General Fund.

II. Specific Bequest language:

- A. "I give _____ (\$\$\$ amount, description of item, e.g., car, boat, etc., legal description of real property - home, farm, etc., or a % of residue or remainder of estate, a specific asset/stock/security) to the Special Operations Association, a veteran's fraternal organization, in care of Linda M. Leavitt, SOA Administrator, P. O. Box 335461, North Las Vegas, NV 89033, for its unrestricted use." Or,
- B. "I give _____ (\$\$\$ amount, description of item, e.g., car, boat, etc., legal description of real property – home, farm, etc., or a % of residue or remainder of estate, a specific asset/stock/security) to the Special Operations Association, a veteran's fraternal organization, in care of Linda M. Leavitt, SOA Administrator, P. O. Box 335461, North Las Vegas, NV 89033, for the specific purpose (one of the following specific projects):
1. The SOA George C. Morton Memorial Scholarship Program Fund.
 2. The SOA Brightlight Program Fund.
 3. The SOA Personal Video History Project Fund.
 4. The SOA Warrior's Family Fund.
 5. The SOA General Fund.
- C. If at any time in the judgment of the governing body of the Organization, it is deemed impossible or impracticable to carry out the stated purpose of the bequest, the governing body of the Organization shall determine a purpose as near as possible to the purpose stated in the bequest.

III. There are a multitude of other possibilities, some of which are:

- A. Giving all or a percentage of what remains of an estate after all specific bequests having been satisfied and debts and expenses have been paid (the "rest, residue and remainder of the estate").
- B. Give all or a portion of your estate in the event that a named beneficiary is not alive when the testator dies.
- C. Establish a testamentary charitable trust in one's will, with a "pour-over" clause to designate which assets are to be placed in a trust with income paid to one or more beneficiaries for their lifetime, with the trust going to the veteran's organization upon the death of the last income beneficiary. Establish a trust in perpetuity in one's will, funded by some asset(s), (e.g., Life Insurance) with the beneficiary being the veteran's organization and the net income to be paid to the veteran's organization and to be disbursed by the governing body of the veteran's organization either for a specific purpose or in their sole discretion.

Note - For your planning purposes, the Special Operations Association is recognized by the Department of Defense (DOD), and by the Internal Revenue Service (IRS) as a non-profit veterans organization 501 (c) (19), operating on tax deductible donations, (EIN # 74-2619854). Should you have any queries whatsoever, at anytime, always consult with your attorney.

SECRET GREEN BERET COMMANDOS IN CAMBODIA

**A Memorial History of MACV-SOG Command and Control
Detachment South (CCS), And Its Air Partners, Republic of Vietnam,
1967-1972**

LTC Fred S. Lindsey, USA (Ret)

About the Book

We could call this book “special operations Recon Mission Impossible.” A small group of highly trained, resourceful US Special Forces (SF) men is asked to go in teams behind the enemy lines to gather intelligence on the North Vietnamese Army units that had infiltrated through Laos and Cambodia down the Ho Chi Minh trails to their secret bases inside the Cambodian border west of South Vietnam. The covert reconnaissance teams, of only two or three SF men with four or five experienced indigenous mercenaries each, were tasked to go into enemy target areas by foot or helicopter insertion. They could be 15 kilometers beyond any other friendly forces, with no artillery support. In sterile uniforms - with no insignia or identification, if they were killed or captured, their government would deny their military connection. The enemy had placed a price on their heads and had spies in their Top Secret headquarters known as SOG.

SOG had three identical recon ground units along the border areas. This book tells the history of Command and Control Detachment South (CCS). The CCS volunteer warriors and its Air Partners- the Army and Air Force helicopter transport and gunship crews who lived and fought together and sometimes died together. This is the first published history of CCS as compiled by its last living commander some forty years after they were

disbanded. It tells of the struggles and intrigue involved in SOG's development as the modern- day legacy of our modern Special Operations Commands. Forbidden to tell of their experiences for over twenty years; their After Action Reports destroyed even before they were declassified surviving veterans team together to tell how Recon men wounded averaged 100 percent; and SOG became the most highly decorated unit in Vietnam and all were awarded the Presidential Unit Citation.

The Special Operations Association Vietnam Tribute Pistol

A Handsomely Decorated Browning Hi-Power Pistol

The left side features a banner reading "Special Operations Association," the SOA logo, a recon team with several members disguised as NVA (Note pith helmets), a special forces member with his suppressed M3 submachine gun, and a Montagnard returning from a mission. The Montagnard soldiers were trusted partners who played a pivotal role in numerous recon missions.

During the Vietnam War there was a special breed of warrior, whose assignments were among the most dangerous. Their efforts served all the fighting men in Vietnam. They performed strategic reconnaissance. It meant high-risk duty running recon deep in enemy territory, collecting intelligence, extracting downed pilots, raiding suspected POW camps, spiking enemy supply caches and striking at the enemy from within.

We know them as U.S. Army Special Forces, SEALs, Air Commandos, Force Recon, and SAS. Beyond these honored titles, and a handful of others, participants in Special Operations defy easy description. Today America Remembers is proud to honor all of these heroic warriors who served in Southeast Asia with the Special Operations Association Vietnam Tribute Pistol – a handsome Tribute issued on a legendary military sidearm, the Browning Hi-Power pistol.

From launch sites inside Vietnam, such as Kham Duc, Phu Bai, and others, members of the Studies and Observations Group (SOG) served covertly behind enemy lines, often in very dangerous situations and in difficult terrain. The young American warriors left behind the comforts of home for an uncertain fate on a far-off treacherous battlefield, putting their lives on the line in support of freedom and liberty, and serving with valor and distinction.

A Trusted Military Sidearm – A Fitting Tribute

In Vietnam, the Browning 9mm Hi-Power was a favorite combat sidearm for SOG warriors who operated secretly behind enemy lines. It featured a large magazine capacity, and was rugged, reliable and effective. In fact, the Browning Hi-Power was so respected, this classic military firearm was used for special presentations to recognize outstanding accomplishments. Designated the "Reconnaissance Team Leader Special Recognition Award," and called the "Silver Pistol," this unique presentation was awarded to a very limited number of individuals during the Vietnam War.

The Special Operations Association Vietnam Tribute from America Remembers features dramatic and powerful artwork honoring those who served in Southeast Asia.

The Tribute is authorized by the Special Operations Association, a fraternal organization of American and foreign participants of special military operations in a combat theater, primarily in Southeast Asia. For this Tribute, each working pistol is decorated with 24-karat gold and nickel artwork by craftsmen specifically commissioned by America Remembers, and it is available nowhere else.

The right side features banners inscribed Vietnam, Laos, and Cambodia, a SOG member outfitted with demolition equipment for a quick demolition ambush, carrying his CAR-15, and a cross-border operations team returning from a successful mission. Both sides of the slide feature three lightning bolts representing the three methods of infiltration – land, sea, and air.

Top of slide features the SOA logo, a banner reading "Special Operations Association Tribute," and a Huey picking up a recon team from behind enemy lines.

Elegant grips are laser-carved with the Special Operations Association logo.

A Limited Edition of 250

Only 250 of the SOA Vietnam Tribute Pistols will ever be produced. Reservations will be accepted in the order they are received. We will arrange delivery of your Tribute through a licensed dealer of your choice. If for any reason you are less than satisfied, you may return your Tribute in unfired condition within 30 days for a full refund.

This Tribute honoring those who served in Southeast Asia is a truly inspiring tribute to America's Special Operations warriors, those who fought, those who fell, and those still listed as missing in action. It is certain to be a treasured heirloom for those who served in Southeast Asia, and for all those Americans who want to remember the brave warriors who proudly served our country.

Free Display Case is included with each order for this Tribute. To proudly exhibit and display your Tribute, each pistol will be shipped with a handsome, luxuriously lined display case, with an engraved brass identification plaque. © AHL, Inc.
