PRESIDENT'S MESSAGE

DOUG GODSHALL SOA PRESIDENT

Welcome to SOAR XVIII, hosted by The Orleans Hotel and your Special Operations Board and Special Staff!

This year, we celebrate the 60th Anniversary of MACV-SOG with an unbelievably interesting and informative program.

The Special Operations Association Reunion opens at 0900 on Monday October 14, 2024.

Please take a look at the expanded Pre-Reunion Packet in full. Sending the PRP electronically allows us to increase content over our old, printed version significantly.

Start with the Master Events List. Take your time perusing the events to be presented at SOAR and general news about the SOA, its friends, and families, throughout the past year.

A few notes of interest. Our banquet speaker is SOG One Zero and Special Forces legend, Major General (R) Ken Bowra. Ken provided invaluable assistance to the 5th Group (he is a former Commander), in the planning and execution of the MACV-SOG Memorial at the Hall of Heroes at 5th Group HQ. At SOAR, Ken will be accompanied by his indig teammate, Xuan Vu, who has traveled from Vietnam to be with us. Ken and Xuan served on RT Idaho.

The programs are incredible. Assuming you can get past the Alligator Bar and get registered, we start on Tuesday with a prayer breakfast hosted by Chaplain Dale Hanson. Prayers upwards for our lost mates and those Special Operators still serving.

A long-planned tribute to Operation Tailwind which launched into Cambodia in 1970 begins at 1000 on Tuesday. One of the best known MACV-SOG missions, it resulted in the presentation of the Medal of Honor to medic Gary Rose. We hope that Gary and other Tailwind veterans will be at SOAR. Special thanks to Jim Moriarty, Gold Star Father, for his leadership.

Tuesday afternoon begins with Dan Thompson hosting at least ten Special Operations authors for the Authors Reading and Book Raffle. The event has increased in popularity every year.

Tuesday night always ends with our annual Las Vegas show, hosted by the hardest working master of ceremonies in Las Vegas, John Russell. This year's event is "Awakening" at the Wynn Casino and Resort. Sign up quickly. This event sells out.

Wednesday starts at 1000 with our annual POW MIA Symposium, led by Chair David Gordon and DPAA reps. We hope to have our POW MIA Organizations present as well, as we learn about our government's continuing efforts to rescue the remains of our heroes.

The SOA Foundation's Auxiliary meets at 1300 followed by the General Membership Meeting.

PRESIDENT'S MESSAGE

Immediately following the GMM will be "Return to Vietnam," presented by 23AUG68 hero Larry Trimble, who re-visited Vietnam with ardent SOA supporter Rob Graham and longtime friend and SOA vendor Bruce Christensen, whose father served at CCN. You have been seeing bits of pieces on our Facebook page, This will be a well-attended event.

Later Wednesday, enjoy a liquor tasting hosted Horace Boner. And, to end the day, join Doc and Vicki Padgett as they raise money for the Foundation at the bowling alley. Always fun!

Thursday begins with the annual CCS Memorial Breakfast. Toasting the special operators, air and ground, lost while serving at CCS, is an annual, somber event.

We have the honor, again, to present Admiral (R) Ann Duff of the VA, and Doc Padgett at 1000 for the Health and Welfare event. Agent Orange will be a topic.

At 1100, SOA member, Brian Cohen will host the Aviation Symposium. This will be a great event.

Plan a nap Thursday afternoon to rest for the Banquet at 1530. We honor our POW and MIAs as the past and current Special Operators join at the Table. MG (R) Bowra honors us with his remarks.

And the feast will be as special as usual. The Orleans always gives us special treatment.

Don't forget the WORLD-FAMOUS SOAR HOSPITALITY ROOM, open Daily from 0900-2400.

Special thanks to those who have labored all year to present SOAR. Team Frovarp, Ray and Rhonda, Bonnie Cooper, RT Rivero and QM Bob Daniels, among others, have been instrumental in getting SOAR 2024 up and running.

All under the direction of our SOAR Chair, Phil, Devon. Thank you all, and the Board and Special Staff for outstanding contributions to SOAR 2024.

Friends and Families are very important to the success of SOAR. Please invite and bring them!

See you in Las Vegas in October.

OPERATION TAILWIND

Fifty-four years ago, in September 1970, one of the most successful SOG missions during the eight-year secret war—Operation Tailwind—was launched with 16 Green Berets from SOG base CCC in Kontum and 120 Indigenous troops from B Company Hatchet Force.

This will be the first presentation at SOAR on this historic mission, which was followed by disputed news reporting and legal settlements by CNN and Time/Warner 28 years later.

The Operation Tailwind presentation will kick off the calendar of SOAR events:

TUESDAY, 15 OCTOBER 2024
1000-1200

We will have as many men who participated in Operation Tailwind at SOAR as possible, including the fearless aviators who flew cover and close-air support during the four-day mission from Sept. 11 through Sept. 14, 1970.

Before the reunion, the SOA will provide updates from the Tailwind presentation team, including footage of interviews conducted of mission veterans who undertook legal action against the news organizations. There will be links posted for SOA members to other documents, maps, and personal interviews with participants from that mission, including the late team leader, then-Capt. Gene McCarley.

Among the participants confirmed so far are Marine Corps Cobra pilots Joe Driscoll and Barry Pencek, author of *Operation Tailwind: Memoirs of a Secret Battle in a Secret War*, Marine Corps MH-53 pilot Don Persky, and Marine Corps Vietnam veteran/attorney/SOA Honorary Member, and Honorary Member of the Special Forces Regiment, Jim Moriarty, who represented several SOG team members and has compiled a massive collection of historic and legal documentation on the mission and the litigation.

Mike Rose was awarded his Medal of Honor for this mission and has been invited to join us.

JOIN YOUR BROTHERS AT SOAR XLVIII

POW/MIA SYMPOSIUM

First and foremost, I want to extend my appreciation for the support from POW/MIA Committee members, the SOA Staff, DPAA and DIA members and speakers, National League of Families and Mission: POW/MIA presenters for the overwhelming success of the POW/MIA Symposium during SOAR XLVII.

The 2024 symposium will be held on WEDNESDAY, 16 OCTOBER 2024, 1000-1200.

Unfortunately, there has been very little progress in recovering or identifying any unaccounted-for Vietnam War service members. There are, however, currently several cases on the ID List being worked. The only identified recovery this year is Air Force Major John Kerr who was shot down over Laos. While any recovery is positive news, we would obviously like to see more recoveries and especially those assigned to SOG missions

Besides the usual difficulties of locating, recovering and identifying remains, there have been significant hurdles hampering DPAA and DIA efforts. The two most significant issues affecting operations have been budget constraints and foreign diplomatic challenges.

Although DPAA received a \$46M increase in their budget, they were unable to access those funds due to the lengthy budget impasse. This meant that DPAA could not budget for planned field missions or hire additional analysts. Fortunately, the budget was finally approved so DPAA is now moving forward to secure the approvals and assets to put teams on the ground. Director Kelly and his staff have personally assured me and others that the bulk of the \$46M will be dedicated to the Vietnam War recoveries.

The other roadblock has been issues with the Lao Government not willing to provide full diplomatic protection to the JFA military and civilian members. This has resulted in cancellations of missions.

The following is an update sent out by Director Kelly. "Our military and civilian members permanently assigned to our detachment in Laos do not have diplomatic protection like other US Embassy employees. We have tried working earnestly with the Lao Government over the past 6 months, but resolution is still elusive. In December, we were forced to cancel the second Joint Field Activity (JFA) of the year (24-2LA), and two weeks ago, cancelled the 24-3LA mission; each JFA had four recovery teams (RT) and one investigating team (IT) planned." During the DPAA Family/VSO Quarterly Zoom call we were informed that a full JFA (with several RT's and IT's) will be in Vietnam by February or March. There are two more JFA's programmed for the remainder of FY24. There are ongoing partner and hybrid missions in Cambodia with four additional partner missions planned.

I am planning on a trip to DPAA-HI (Hawaii) in the late June/early July time frame. Col Brannen is leaving as Deputy Director Operations for reassignment to the 1st Marine Division, Camp Pendleton, CA. My focus will be to meet with his replacement, Mr. John Figuerres and other staff for updates.

See you all at SOAR XLVIII.

David Gordon, POWMIA Chairman

TEAM GAMBLER - RETURN TO VIETNAM

January 2024, Larry Lee Trimble (codename Gambler) who was assigned to MACV-SOG ST Rattler and RT ASP, FOB4 / CCN returned to Vietnam after fifty-five years.

Accompanying Larry was Bruce Christensen, Rob Graham, Hayden Lockett and Marianne Ough. The team was fondly named *TEAM GAMBLER* in honor of Larry's codename.

RETURN TO VIETNAM
WEDNESDAY, 16 OCTOBER 2024
1500-1630

Xuan Vu was assigned to RT Idaho at CCN in 1971 after operating with team Hong Son at CCS. Xuan resides in Da Nang Vietnam and joined us for this stage of the trip.

During this symposium you will be shown a slideshow introducing the team and the trip. Within the slideshow there are pictures taken during our travels to Ho Chi Minh City (Saigon), Da Nang's Marble Mountain, pictures of the site where FOB-4 / CCN was located, a trip to FOB-1 Phu Bai, the imperial City of Huế and slides of Monkey Mountain (Da Nang).

There will be a short video showing the team preparing the SOG time capsule, with challenge coins, patches, a Gilbert Secor bracelet (Gilbert was one of the sixteen SOG members killed on August 23, 1968), and a grenade fragment from August 23 68 taken out of Parker Auburn's leg. Many items were placed in the time capsule, sealed and later buried at the base of Marble Mountain.

The time capsule is a tribute to all the MACV-SOG personnel who were at FOB-4 on August 23, 1968. Also, a tribute to all SOG personnel, the South Vietnamese and indigenous team members and supporting elements such as Air Assets who served in America's secret war.

Rob Graham will host a 30-minute panel discussion with members of the team including Marianne, Larry, Xuan and Bruce. If you are curious about how Vietnam looks today, modern Vietnamese culture, or how the relations between our countries are, you will not want to miss this presentation.

The Green Beret family is strong and timeless, and the stories of their courage and sacrifice will be told forever.

THURSDAY, 17 OCTOBER 2024

Brian is an Air Force veteran who assisted the 20th and 4th Special Operations Squadrons that was conducting combat operations in Iraq and Afghanistan.

The MH-53 is the same airframe with some upgrades that was conducting the Jolly Green Giant missions in Vietnam.

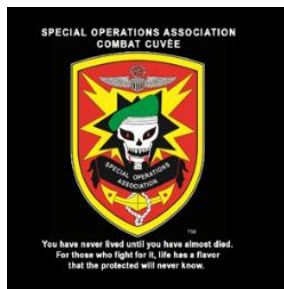

The SOA Foundation's mission is to assist members of the Special Operations community in fostering the well-being of its members, families and survivors.

In 2023, the SOAF and Auxiliary:

- Assisted two chronically ill SOA members
- Contributed \$36,000 to the George H. Morton Scholarship program
- Created the Widows Fund for widows experiencing financial hardships.
- Developed the SOA/SOAF Agent Orange Legacy Project, which seeks to determine the exposure of Special Operations and US Special Forces personnel to AO, as well as the effect on our children and grandchildren.

Stop by the SOAF Vendor Table to discuss ways you can help grow the SOAF mission.

Horace Boner, Chairman

FINANCIAL AID AVAILABLE

Established in 2012, the Warrior's Family Fund is dedicated to assisting SOA widows and their family members in attending the reunion, ensuring that no widow is unable to participate due to financial constraints. Funds from the program can be used to offset the costs of travel, hotel accommodations, and other expenses associated with attending the reunion.

THE AGENT ORANGE LEGACY PROJECT THE MALADY LINGERS ON

The Special Operations Association and Foundation have partnered with researchers involved with investigation into Agent Orange (AO) exposure in VN veterans, specifically genetic disorders in our children and grandchildren.

The SOA Foundation has compiled data from Special Forces and Special Operations Vietnam veterans for analysis of the effect of AO on our community. It is our intention to increase awareness and the need for precautions. It is possible that in the future VA compensation could be available for those descendants who can show a link to parental or grandparental exposure to AO and subsequent cancer. The history of AO use and effects of AO exposure, as well as VA presumptive diagnoses will be reviewed.

The results of the SOA Foundation online survey that has been made available will be reviewed and discussed. Visit the Foundation website SOAFoundation.net to participate in the survey or click the following link [SOAF Agent Orange Legacy Project](#). We appreciate your participation.

**THURSDAY
17 OCTOBER 2024
1000 – 1100**

RDML (R) Ann Duff, Assistant Director of Office of Survivors Assistance (OSA), Pension & Fiduciary Service, will discuss Survivor benefits and what veterans can do now to help prepare their spouses and families for the future.

GMM STANDING RULES OF ORDER

Special Operations Association Reunion XLVIII Annual Meeting

Preamble:

The Board of Directors has created the following Standing Rules of Order in accordance with the directions and guidelines established in Chapter XIX of Roberts Rules of Order Newly Revised (RRNR).

The purpose of these Standing Rules of Order are to assure members' rights are fully protected, simplify what otherwise are sometimes confusing and contradictory Parliamentary Procedure options, establish order, and to capture the exact wording of proposed Topics of Discussion (TODs), Resolutions and Motions for the record.

These Standing Rules require approval by the General Members before they will be implemented and adhered to for this GMM. These Standing Rules of Order are temporary and apply to this one single GMM only. Their authority ceases on the adjournment of the GMM.

We ask every General Member to read these proposed Standing Rules and to approve them with his vote.

Admission into the General Member Meeting room requires all members to wear or prominently display the Badge/Name tag issued by the Secretary/Registration Committee. General Members will be seated in the area designated by the Sergeants-at-Arms for "voting" members.

The Secretary, directly after the opening ceremonies, shall report the number of General Members registered at this year's SOAR and/or exclusively for the GMM and the number of those currently present in the meeting room. The number present at the beginning of the business meeting shall be the number used to determine if the SOA's quorum requirements have been met per Article VII Section C of the Bylaws. If the quorum requirement is met, the number of members reported present shall be the base number for determining a majority for all votes conducted during this GMM.

All voting will be by physical count of hands or ballots. When voting, members are requested to raise their RIGHT hand over their heads in order that the Sergeants-at-Arms can facilitate a proper count.

General Members who desire to present a Topic of Discussion (TOD), Resolution, or Motion from the floor that was not previously submitted to the Secretary per SOA Bylaws Article VII Section E must first submit a legibly written or typed copy to the Secretary prior to the opening the GMM but no later than the opening of New Business. If the request is in compliance with the Bylaws it will be added to the agenda under New Business in the order it was received by the Secretary.

At the appropriate time on the Agenda, the Secretary will request the Member who desires to open a TOD, make a Resolution, or Motion to rise and request their TOD, Resolution, or Motion to be read by the Secretary. In lieu of the President stating the question, the Secretary will read the TOD, Resolution, or Motion as presented and entered into the record at which time the Chair will call for a Second. If a Second is made, the Chair will then acknowledge the originating member who may then speak as defined in Rules 5 & 6, and, if appropriate, a vote will follow.

Prior to proceeding with the regular agenda items, President Godshall introduced the “Three Amigos” who presented a small tribute to our former Vice-President Mike Taylor in the form of a twelve inch “action figure of Mike that will be taken to the Fifth Group Hall of Heroes at Ft. The Total Assets and Liabilities comparison is \$94,000 on a year over year basis. The income during the nine-month year to date period is \$169,000. Treasurer Devon cautioned that the figures are skewed to the positive as they do not yet show anticipated expenses of about \$70,000 incurred at SOAR. Despite this, the financial health of the SOA will remain very strong.*
 - SOAF- A 501(c)3 corporation. *The Balance Sheet shows a total of \$53,000 assets, \$0 liabilities, and \$53,000 of equity.  3. SOA Foundation Report Ex Dir Padgett
Ex Director Padgett began by recounting the Foundation’s efforts to find members that might have been affected by the recent fires in Maui. Fortunately, no members were affected by this, but in the future the Foundation will continue to aid members affected by natural disasters. He encouraged members to contribute to the SOAF so that this worthwhile activity can be sustained in the future.
Ex Director Padgett also noted that he and Gen. Bowra and Vice-President King will be doing a “Lessons Learned” presentation at Fort Bragg. At this event, Gen. Bowra will represent the “then” and Vice-President King will be the “now”.
 4. SOA Scholarship Committee Report. President Godshall
President Godshall commented that with the costs of higher education hovering at around \$25,000 the Committee had increased the awards to our deserving scholarship candidates. Presently, four very good candidates were granted \$4,000 each. This program benefits the families of all members and donations are encouraged.

2023 GMM MINUTES

5. SOA Brightlight Committee Report. Chairman Owens
Chairman Owens was gratified that the Committee was able to assist some members in attending SOAR this year. He thanked everyone for their support and especially Larry Trimble, Marcus Whitt, and the SOA riders for their contributions to the fund. He asked the assembled to let us know if you are aware of someone in need of assistance. He reminded the assembled that assistance for those in need can be for travel, meals, or perhaps care givers.
 6. SOA Warrior's Family Fund Committee Report Chairman Boner
The Warrior's family fund was able to provide monetary assistance to the widow of a recently deceased member. Chairman Boner stressed the need for contributions to maintain this very important benefit for our families

This year's ride was held in Knoxville. 16 riders and 10 significant others participated and travelled for four days, over 31 miles through eastern Tennessee and western North Carolina. The ride generated \$2,300, and an additional contribution by a Toyota dealership in California facilitated by Larry Trimble brought our total donation to Brightlight to \$4,000. The next ride is scheduled for February 8. SOA members are encouraged to join the riders and participate in our rides.
 9. SOA Entertainment Committee Report Chairman Russell
This year's "Beatles Love" event at the Mirage sold out with 99 attendees signed up. More than 12 members were on standby but only 4 cancellations were registered. CANDIDATE FOR SOA SECRETARY

MARCUS WHITT
SOA 602-G

I would like to submit my name for consideration as the Secretary of the SOA Board of Directors. I currently serve as the Director of SOA Riders and wish to continue in this capacity.

I served as an SF O5B4S at CCS in 1969-1970, assigned to the TOC and a radio-relay site before joining the 1st Exploitation Company that participated in several Cambodia missions.

There is no greater service than to continue to serve the brave men that participated in and/or supported SOG. I wish to give all that I can to serve these great men and feel that my experience and prior service will enhance my ability to give back. I hope you will consider my name for the position of Secretary.

I've enjoyed my SOA membership and if elected would give my time to the organization that has given so much.

Thank you for your consideration

CANDIDATES FOR SOA DIRECTOR (2 POSITIONS)

JAMES SHORTEN
SOA 842-G

I would like to submit my name for consideration for a Board of Directors position.

I have been in SOA for over 35 years, and I feel that it is time to give back to my fellow comrades.

I joined the US Navy in 1964, served 22 months in DaNang, with the Seabees. Then joined the Army, served with 5th Group in Vietnam for 18 months, A-502 and CCC as the One-Zero of Rt. Delaware. I also served with B-53 as an instructor for One-Zero school. I joined the 12th Reserve Special Forces, Underwater Operations Team A-314 after Vietnam. After Special Forces I served with the USAF, 129th Aerospace Rescue and Recovery Service as a Pararescueman (PJ) until I retired in 1984. After the service, I went back to college and trained to be a doctor. Graduated as a Radiologist and practiced in Tucson, Arizona until I retired.

Thank you for your consideration.

RICHARD FREEMAN
SOA 573-G

I am Rick Freeman, and I am asking for your consideration for SOA director.

I was a Cobra pilot supporting CCN at the Quang Tri launch site from April '69 to May '71. After Vietnam I flew fighters from aircraft carriers, airliners, EMS, ISR for tier one operations in Afghanistan, and corporate jets. I flew slicks in the 160th reserve battalion.

As a SOG support person I never felt it ethically sound to get involved with the management of our association. I have never been to a Q course. As our ranks begin to thin out it is time to rethink that position. I have been a member for a long time, I have seen opinions expressed over the years. The motto of special operations today comes from Isaiah 6:8, "Whom shall I send and who will go for us?" Then I said, "Here I am Lord! Send me."

Thank you for your consideration.

SOA SCHOLARSHIP AWARDS

CONGRATULATIONS TO THE 2024-25 SCHOLARSHIP RECIPIENTS

The Scholarship Committee is pleased to report that all twelve (12) applicants who applied to the scholarship program will receive a financial award. This outcome reflects the exceptional quality of the applications, the commitment of our evaluators and the generous contributions from our membership, all underscoring SOA's dedication to ensuring funding for our progeny.

The scholarship program is comprised of three separate awards: The George Morton Scholarship, the Len and Nancy Fein STEM Endowment and William and Eleanor Lueders Honors Endowment, all accessed through a single application process. Each application is redacted to ensure anonymity, then evaluated and ranked independently by our dedicated evaluators.

Final decisions are based on the totality of each application, rather than on a single metric such as scores, grades, or essays. This comprehensive approach ensures that we recognize a broad spectrum of achievements and potential. The 2024-25 Awardees are:

D'ARPA, Lily, North Arizona Univ. – Granddaughter of Robert Johnson 2663-G
DOWNS, Jaxon, West Virginia Univ, Parkersburg – Son of John Downs, 3174-G
ESQUIVEL, Jasmine, Valencia College, FL - Granddaughter of John Coppinger, 2518-G
FINCH, London Marie, Austin Community College, TX – Granddaughter of Mark Kinsler 700-G
GREER, Laura, Univ California-Davis – Granddaughter of Joel McDaniel, 1706-G
LOCK, Joseph Sean, Virginia Tech – Son of Joseph Lock, 3535-G

PORAMBO, Macey, Auburn Univ – Daughter of John Porambo, 3656-G
SCHOWENGERDT, Loren, Univ of Nebraska-Lincoln – Daughter of Cory Schowengerdt, 3526-G
STRICKER, Hunter, Univ of Colorado, Boulder – Grandson of Charles Stricker 3189-G
SUTCLIFFE, Christian, Columbia College, MO. – Grandson of Grenville Sutcliffe, 1154-G

My tenure as Chairman of the Scholarship Committee will end in October 2024; however, I am pleased to announce that Vicki Chan-Padgett, 3664-H, has been appointed as my successor. She will open the 2025-26 application process. Watch for updates on the SOA website and newsletters.

I would like to extend my sincere appreciation to the 40+ volunteer evaluators who, during my 4-year tenure as Chairman, generously dedicated their time and expertise to read, evaluate, and rank the applicants. Their dedication has been vital to the success of the scholarship program.

Thank you for your continued support and contributions which make our scholarship program possible.
